Enjoy access to a relaxing outdoor space

Get cozy on your own unique private terrace, which stretches along the entire ground floor and creates a spacious and natural backdrop to all the bedrooms. A living wall creeps elegantly over the space to provide a beautiful enclosed outdoor sanctuary with a great sense of privacy. Sun loungers, sofas and dining tables are distributed along the terrace and create separate areas to dine and relax.

Duplex penthouses on the top floors

Icing on the cake is the super-prime entrance lobby

All residents and guests of One Hyde Park are welcomed by the grand double-height reception lobby. In the center of entrance the masterpiece of art by Eva Menz is installed. Inspired by the spiraling effect caused by fallen leaves by a sudden gust of wind, 5 000 handcrafted intricate pieces of glass were individually hung to reflect the beauty of this accidental displacement.

Interiors conceived to show your personhood

Besides the highest standard of internal specification, including triple glazed windows, solid oak joinery, chilled ceilings, you won't find two similar apartments in the building. Each interior is tailor-made with distinct colour schemes, materials, furniture and artwork to reflect different tastes and style.

Classic superb education is at your feet

If you're considering studying in Knightsbridge, you'll be pleased to know that it is home to a number of excellent schools for both younger children and older. For a co-educational primary and secondary school, the Lycée Français Charles de Gaulle should be your first stop. And after that you're only a stone's throw away from the Imperial College London and the Royal College of Art.
